

Joe & Leigh's GOLF PERFORMANCE CENTER

EASY FITTINGS

The first step of an EASY FITTING begins with a dialogue between yourself and Joe & Leigh's Staff. The exchange of information and feedback which takes place during consultation will help you zero in on a few products, test them, and identify the one you prefer.

From there, a Joe & Leigh's Certified Fitter will employ their expertise and the most current fitting tools to ensure the clubs you choose are correctly fit to your exact needs. Please note, Launch Monitor technology is NOT used during EASY FITTINGS.
